

Dress for class

- A. JAZZ Classes
- B. Non-performing Jazz Technique Classes

Applies to the following classes on the class selection sheet: 6, 25, 39, 40, 44, 51, 53

Dance Classes will begin: After Labor Day, on Tues. Sept. 8th

Our store will be open: Prior to the start of classes, Tues.-Thurs., Sept. 1-3, 4:00-7:00 pm.

First week of dance: Is crazy-busy with parents purchasing dancewear and shoes for their dancers. We recommend purchasing early (Sept 1-3) to avoid the chaos and to make sure we don't run out of the sizes you need.

We sell all of the items listed below (dance shoes and dancewear) in our studio store. They are quality items sold at a reasonable price.

A. Jazz Classes:

It's much easier for your teacher to assess your movement, posture, angles, etc. when you are all dressed alike = she can polish your dance more easily and as a result, you will look better performing as a class!

Top: Tight black top like a studio tank top or black leotard.

Bottom: Black dance pants or black dance shorts.

Legs: Bare or body tights or tights.

Shoes: When your dance costume is selected, we will know whether you need tan jazz shoes or black jazz shoes. Until then, please wear whatever you have on hand ~ we'd hate for you to purchase a tan pair of shoes, and then later find out that you need a black pair to match your costume. If you don't own any dance shoes at all, then your safest bet is to purchase a black pair and keep your fingers crossed that black is the color you'll need for matching your costume! If you already own a pair of ballet shoes, just wear them for the meantime.

B. Non-performing Jazz Technique Classes:

We'd prefer you wear solid black but we're not as picky about colors & patterns since we're not polishing group choreography.

Top: Tight (tank top or leotard)

Bottom: Dance shorts, dance pants, leotard.

Shoes: Any jazz shoes or foot undeez.
