## **WHAT COMPETITION TEAMS DOES DU OFFER?**

Dance Unlimited offers competition teams for all ages and levels. We understand that not all dancers have the same experience or commitment level and want to be able to offer the experience to all.

### **IMPACT PROGRAM**

DU's Impact program is a "pre-competitive" dance team. It is designed to offer dancers a competition team experience, but on a smaller scale. Dancers who show potential but may not have the experience often begin their training here and it is a great stepping stone to our company competition teams. The Impact program's time & financial commitments are scaled down in an effort to offer a variety of commitment levels to our competition program. They compete and perform locally.

### **COMPANY COMPETITION TEAMS**

Our award-winning competition teams were created for dancers who have a passion for dance, and who regard dance as their most important extra-curricular activity. We offer teams for dancers aged 4-18 who train in ballet, jazz technique, contemporary and more. They compete locally, regionally and perform in the community.

#### **\*PRO TEAMS\***

A supplemental element of our competition teams is our "Pro Teams". Dancers who display the need for an additional challenge and who understand the extra time, dedication and commitment that is required will be considered for "Pro". The routine is typically a lyrical piece and requires dancers to have an additional rehearsal and ballet class each week.

### **EMINENCE HIP HOP CREWS**

Our award-winning hip hop crews are designed to challenge dancers who have a stylistic knack for hip hop. We understand that not all dancers want to train in every style, therefore these crews were developed to offer the competition experience with hip hop driven training. It is common for company members to also be on a crew. They compete locally, regionally and perform in the community.

## HOW DOES MY DANCER PREPARE FOR AUDITIONS?

Dancers should come to auditions wearing dance clothing & shoes appropriate for the styles they are auditioning for (ballet, jazz, hip hop). Hair should be secured and away from the face.

Dancers should know the audition combos found below. We will spend a small amount of time reviewing the audition combos when they arrive.

## **\*WHAT ARE CALLBACKS?**

Sometimes, if a dancer is on the cusp of an age group, they are called back to dance with the next age group. For example, if your dancer is 12 and will be 13 in the next school year, there is a chance he/she may be asked to stay and dance with the next age group. It would be beneficial to have him/her learn the combo for the next age group in the event that they are called back.

If your dancer is called back, you will receive a call prior to their pick-up time letting you know they will be staying and their new pick up time.

## **WHEN ARE RESULTS ANNOUNCED?**

Results will be posted to Dance Unlimited's Competition Team page by Tuesday, May 31st. Team placement will be announced by dancer's audition numbers so be sure you make note of that.

## **IF MY DANCER MAKES A TEAM, WHAT DO WE DO NEXT?**

If your dancer is placed on a team, please follow these instructions:

1. Enroll in the team class via your **Tuition Account:**
  - a. Select the 22-23 Competition Team tab. From there, you will enroll your dancer in his/her team(s).
2. Register for your required summer classes. A list of your dancer's required summer classes will be included with the team results. Please enroll right away to secure her spot and ensure that he/she will fulfill their summer training requirements.
